

PACKING AND COLOURS

1200 x piece Piece/box - 4800 pieces/pallet

Application

Remove the protective cap from the pointed blade (fig. 1). Use the pointed blade to pierce the seal in the cartridge's threaded section and then turn once in a clockwise direction (fig. 2). The symbols on the knife handle (arrow and threads) must be pointing upwards. Screw the nozzle onto the pierced thread section. Pull out the rectangular blade by its holder from the knife handle. Insert the nozzle into the handle opening up to the breadth of silicon required. Close the rectangular blade back into the handle to clip the nozzle (fig. 3).

Caution: Never insert fingers into the nozzle opener. Replace the protective cap onto the pointed blade after use (fig. 4).

SAFETY ADVICE

To ensure that you use your new DL Chemicals Quickcutter knife safely and most effectively, please read and note the following user-instructions.

1. Usage advice: Please use the product carefully for described work only and not for any purposes other than those that are intended. Please take the correct handling and the proper use of the cutting tool into account in this regard.
2. Special application instructions to avoid the danger of injuries: Only use cutting tools that are in perfect condition and have sharp, clean and undamaged blades. Employ the utmost care when handling the knives. CAUTION: The blade is sharp and can result in serious and deep cuts. Therefore, never reach into the blade! To reduce the danger of injuries, hold the hand that is being used to restrain and stabilise the cutting base in such a manner that the restraining hand or even other body parts are not endangered in the event that the knife slips. Do not modify this product in any way. Modifications of any kind may impair product safety. CAUTION: The risk of injury caused by manipulation of this product is extremely high. When both cutting edges are no longer sharp, dispose of the knife as general waste.
3. Non-use of the knife: Store the knife in a secure place.
4. Care instructions: Always keep the knife clean and do not expose it to unnecessary humidity to safeguard a long service life. CAUTION: No liability will be assumed for consequential losses. Subject to technical changes and errors! This knife does not belong in the hands of children!
